Address:

37915 Klingville Road, Chassell, MI, Houghton

Price:

250.00 \$

1976 Sno Bird Snow Mobile Trailer that tilts. Working lights. New hitch receiver. Pulls great. Replaced the plywood 10 years ago and is still solid. Frame is galvanized steel. Never any issues with it. Could use new safety chains, as the cables are a little frayed. Used some to pull a snowmobile and fishing sled, but sold those. Mostly used to haul brush around the farm.
